COMMUNITY TABLE SELLER FORM

The BIKE & SKI SWAP Community Table is for individuals who want to sell just an item (or two or three) at the swap. Please make sure you have filled out this form and tagged each item with **PRICE, YOUR NAME AND PHONE NUMBER**. A volunteer will help you check in and price your item, but we cannot accept items without price/name tags. Please follow these guidelines to make the process go smoothly:

1. Check in item(s) between 7:00- 8:30 am. Pick up unsold items/your money at between 12 and 12:30 pm.
2. Cost for using this service is $5/item, payable in cash. 100% of these fees goes to SBS/Blue Elements.
3. Provide an asking price and lowest accepted price for every item.
4. The buyer can pay you directly via Venmo or PayPal. Otherwise, we will hold your cash to pick up at 12pm.

Items Not Picked Up By 12:30pm Will Be Donated

The Community Table allows people to sell individual items and raises more funds for Blue Elements. If you have questions, contact Sacha Halenda at sacha@formfive.com or text 720-971-7171. Bring this form printed and signed, with the items you want to sell, and $5 cash for each item to the swap by 8:30 am. As a reminder the BIKE & SKI SWAP is on Saturday, October 17th, 2026 at the Chaffee County Fairgrounds.

BIKE & SKI SWAP COMMUNITY TABLE ADDITIONAL RELEASE OF LIABILITY

Volunteers staffing the community table are referred to as “staff”. Select only one:

☐ **NO DEMO**: I do not allow anyone to demo my bicycle. I understand the bicycle will be placed near the community table, but I do not want anyone to take it outside to ride.

☐ **DEMO IS OK**: Staff will take the prospective buyer’s driver’s license as collateral, and I’m OK with a prospective buyer taking the bike outside to try it.

If you choose the NO DEMO option, we recommend you purchase a table, or stay nearby to chat with interested buyers, or leave your cell phone so that they can call you if they need more information.

I release the Salida Bike Park (SBP), its members, staff and volunteers from any responsibility for damage, loss or theft of articles/items/gear brought by me or my representatives to the SKI & BIKE SWAP.
